B. Roof replacement/repair bids on the Municipal Building

-Mayor Garrett informed the council about the roof situation- originally the plan was to replace bolts. However, when the bolts need to be replaced in the future, the bolts would not be available. So the next plan was to replace the tin with shingles; however, there is no decking to be able to install shingles. We need one plan to bid on. Councilman Prather suggested to get at least 3 bids for the roof replacement. Bid will be for installing the “Tuff Rib 29-Gauge”; also a bid for replacing the roof with the latest version of the type of roof that is currently on city hall. Mayor Garrett asked the Public Facilities committee to head up the bid process for roof replacement and kitchen upgrade.

C. Reduction of speed limit on Old Good Hope Road (in compliance with proposed Traffic Calming Device Ordinance). Mayor Garrett explained that the speed limit has to be 25mph to comply with ordinance. Mayor Garrett called for a motion to reduce the speed limit to comply with the ordinance. Councilman Malcom made a motion, motion was seconded by Councilman Robison, all approved, motion passed unanimously.

9. Council Discussion Items:

A. Kitchen remodel: councilmen discussed the option of refacing the cabinets rather than demo/replace cabinets. The Public Facilities committee will get bids for the kitchen remodel.
